## CHUBB 306

The **ULTIMATE** safe for high risks.

The CHUBB 306 bears the UL  
TRTL30X6 label

This label signifies equal and  
effective resistance to attack  
on all six sides.

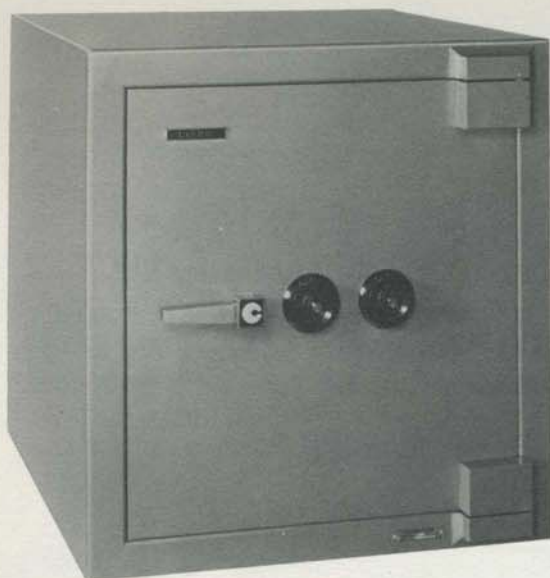

Skilled UL technicians  
subjected the CHUBB 306 to  
severe testing using acetylene  
torches, high speed drills,  
electric impact hammers and  
chisels, and other commonly  
used burglary tools.

**They failed to defeat the safe.**

## CHUBB 306

The safe you need for  
peace of mind and proper  
protection of your  
assets.

Models and dimensions on reverse.
