

# Single-Door Safe—52-Inch, File Height

Safe Complete as Pictured, No. 2042Y

No. 2042 Safe is same height as 4-drawer letter files. Interior takes Sectionet Files, made in eleven models to house records of nearly every standard size. Page 164.

If fire strikes your office tonight, will your irreplaceable records, books, patients' histories, personal papers — your greatest assets beyond goodwill — be reduced to ashes? Your answer will be "no" if you house everything of value in Shaw-Walker Executive Safes.

This Executive Safe is widely used in private offices, departments, small businesses, and professional offices. Being the same height as our four-drawer files it ensures that pleasing appearance of uniformity in your office. For specifications, read "One-Hour Label," opposite page.
